

SUMMER SYMPOSIUM

IMAGINE. INNOVATE. CREATE.

JUNE 5-7 @ GEORGIA TECH

Attention K-12 grade educators! Are you looking to integrate the arts into your STEM lessons? Look no further than the GoSTEAM Summer Symposium on June 5-7th at Georgia Tech, featuring interactive workshops, field trips, inspiring speakers, and hands-on activities; all focused on bringing creativity and innovation to your classroom. Network with educators and leave with the tools and resources to engage your students in a dynamic and interdisciplinary learning experience.
